

Architectural HERITAGE OF INDIA

ARC001

India is well recognized worldwide for a diverse culture, ancient traditions, vibrant festivals, unique dance forms and colorful dress code but the country also offers its rich Architectural heritage and state of the art contemporary designs and carvings. Architecture of India is a true reflection of India's glorious past and it describes religion, culture, tradition, practices, art forms and ideas.

Its recent acknowledgement came when Taj Mahal was recognized as one of the Seven Wonders of the World. Architecture of India is influenced by several dynasties across India, which shows diversity in architectural designs, build patterns and sculptures. Inspiring designs, complex carvings and long standing sculptures are a thing to watch in this diverse country.

Architectural Tour of India will cover every aspect of your knowledge requirement on architectural designs from 2600B.C to Present age. It's a complete tour with assistance from our expert tour guides, interactive learning lectures from prominent Architectural Institutes across India and a chance to discover the unheard locations across India. From beautiful palaces, majestic forts, epic shrines, Mausoleum to handcrafted city of myths and much more. India is definitely a place to explore if you are looking to understand, analyze, visualize and explore the true beauty of Architecture.
